Pacific County Youth Livestock Auction 2025

2025 PCYLA SHOW & AUCTION POLICY

Mission Statement:

The mission of the Pacific County Youth Livestock Auction is to facilitate opportunities for youth enrolled with livestock projects in Pacific County recognized youth groups to learn, earn and develop responsibility through ethically producing and selling their market projects according to established industry standards.

Rules, Regulations and Eligibility:

1. Each exhibitor must be enrolled in 4-H or be a member of an FFA Chapter and be actively caring for the animal(s) exhibited as a 4-H project or an FFA farming project. 4-H and FFA members must be enrolled as a member of Pacific County 4-H by April 1st, 2025 or in a Pacific County FFA Chapter. Each 4-H and FFA member must follow the rules and regulations of their respective organization and the Pacific County Fair. If any disciplinary action is taken of an exhibitor during the fair, the committee reserves the right to review all actions and may result in not being allowed to sell.
2. 4-H state policy mandates that an exhibitor must be eight years old by October 1st of the current 4-H year (10/01/2024) to sell any market project.
3. This notice of Intent to Sell shall be completed to be eligible for the sale and be postmarked by April 1st, 2025. Intent to Sell forms must be mailed to the PCYLA Committee at PO Box 1073 Raymond, WA 98577 or emailed to pcylagroup@gmail.com.
4. The market sale sifting committee shall inspect all animals entered in the division at the final weigh in on August 19th, 2025.
5. No animal previously sold at any youth sale shall be allowed to be resold at the Pacific County Youth Livestock Auction.
6. All 4-H Clubs and FFA organized chapters are required to perform herdsmanhip duties in their respective barn during the Pacific County Fair. Failure to do so will result in the forfeiture of all premium monies for the club or chapter.
7. Proof of a Quality Assurance Class is required to sell in the auction. Completion of a quality assurance class any time during your project is all that is required. Proof of attendance will be kept on file with the PCYLA secretary.

Pacific County Youth Livestock Auction 2025

Entry Regulations:

1. All exhibitors will be required to attend a mandatory participant meeting which will be sometime in April or May.
2. Exhibitors may tag up to 2 projects of either the same species or a combination of species. Both projects will be weighed at the Final weigh-in and exhibitor must choose which project they will present and sell as their market project by the end of that exhibitor's second project weigh-in. Pen of Pullets will be determined by the exhibitor at the leg band inspection on Tuesday following the vet checks.
3. On Tag Day and the Initial Weigh-in, all projects must be presented with an Animal Health Record that shows the project's date of birth/hatch, and the date purchased.
4. If an animal loses a tag, it is the responsibility of the exhibitor to contact the PCYLA species representative within 10 days with the original tag number and request a replacement tag.
5. Exhibitors may enter as 4-H or FFA market divisions, not both.
6. Each exhibitor makes a commitment to show their projects at the Pacific County Fair and sell their project at the PCYLA Auction.
7. Exhibitors must participate in a Fitting & Showing class in their respective species within the supporting program their market animal is entered.
8. Exhibitors may not withdraw their exhibits from the show or auction after weigh-in on the day before the fair.
9. Market animals must not be in any type of partnership. If this rule is violated, future entries into the sale may be limited.
10. Exhibitors and/or others may not buy animals for specific return of animals to the seller to be shown at other shows and/or market sales by any exhibitor.
11. No animal will be weighed at the Final weigh-in without a completed Animal Health Record.

Sale Regulations:

1. The official judge while judging for type may exclude the exhibit from the sale if the animal fails to meet the minimum grade as established. All market animals must also receive a blue or red ribbon in type class to participate in the auction.
2. All animals found eligible for the sale will be weighed for sale weight on Tuesday during Final weigh-in. Exhibitors must be present to bring their animals into the auction ring or they will not be sold. No proxies allowed at weigh-in or the auction without prior committee approval.
3. Weights can only be contested by a PCYLA Exhibitor up to 1 hour following the designated weigh-in time slot.

Pacific County Youth Livestock Auction 2025

4. All large project animals will be sold by the pound. Pullets, fryers, rabbits and ducks will be sold by the pen and by the individual for turkeys.
5. All sales are final.
6. Sale order will be determined by the sale committee and respective judge's placings.
7. While presenting their animal for sale in the Auction ring, exhibitors are expected to wear show clothes. They may also display the ribbon their animal earned in its type class only.
8. USDA requirements for withdrawal of feed additives and medications shall be followed. If the animal is condemned during processing for violation of these USDA requirements, it is the seller's responsibility to absorb the cost.

Add-on Contributions:

1. All add-ons must be submitted to the PCYLA Treasurer or postmarked by September 30, 2025.
2. Exhibitors that complete their project, show at fair in Fitting and Showing and Species Type class but are unable to sell their project at Auction due to earning a white ribbon in Type or unable to sell due to weight/age/breed/sex requirements not being met, are still eligible for add-on contributions.

Payments from Sale and Add-ons:

1. Proceeds of the sale will be distributed to participants or their assignors after payments have been received from all buyers. No payment will be made to the participant until the treasurer has collected all proceeds of the sale.
2. A commission will be deducted from revenues of sale animals only (not add-ons) to cover the costs of facilitating the sale.

Seller's Responsibility:

1. Each exhibitor will complete one Intent to Sell form for each project they intend to exhibit and sell. The project must be identifiable in some manner.
2. Each exhibitor assumes the responsibility for securing at least 3 potential buyers for each project to be sold.
3. All exhibitors are required to care for market projects until the animal leaves the fairgrounds or until the livestock release time at the end of the Fair.
4. Exhibitors are responsible to make arrangements to transport their own animal to harvest.
