## Mission

The mission of the Pacific county Youth Livestock Auction is to facilitate opportunities for youth enrolled with livestock projects in Pacific County recognized youth groups to learn, earn and develop responsibility through ethically producing and selling their market projects according to established industry standards.

## THREE WAYS TO SUPPORT OUR YOUTH

### 1. Consumption

Purchase an animal at the auction and take possession. Bid is per pound of animal, or for pullets and fryers, per pen of 3 birds. You as a buyer are responsible for butcher, cutting, and for taking home the meat.

### 2. Donation Purchase

Purchase an animal at the auction, and do not take possession. Bid is per pound of animal or for pullets and fryers, per pen of 3 birds. You as buyer are responsible to pay the bid amount over the floor price. The floor price is determined by the Auction Committee based on sales of local livestock auction prices (current market value). You as buyer do not receive the meat, but receive credit for being the buyer and supporting our youth.

### 3. Add-on Contributions

A flat monetary donation to our youth. The perfect option if you do not wish to bid on an animal, or are not attending the auction. You may specify if you want your donation to go to:

- A specific youth/youths by name
- Split between youth with a particular species project (ex. youths with beef projects)
- Split equally among all youths in the program

Youth projects include: market steer, market hog, market lamb, market goat, market turkey, pen of fryers, pen of pullets, meat ducks, and fryer rabbits.
